Just the latest of many to use a picture of Liv Tyler for "Super Bowl LIV"

I've got the schedule for the ~~Super Bowl~~ "Big Game" weekend up a week early, featuring brewpubs and tap rooms that are open late Sunday with TV, and other establishments that have been known to have good beer. Watch for this list to keep growing as more establishments post their plans.

11:00 am - 11:00 pm 🍺 **Collab AF, an exclusive beer collaboration**
Beerhead Bar & Eatery, Elmhurst, Schaumburg, Vernon Hills 📍

Collab AF (All February) is an EXCLUSIVE collaboration event for Beer lovers.

We've partnered with 36 different breweries across the country in all of our Beerhead markets, with 18 in Illinois, to bring dozens of Beerhead Exclusive Collaboration brews to life! We will also be featuring several non-Beerhead collabs throughout the month that you'll want to get your hands on.
